

Organize a Saddle Fitting & SAVE

Do you care about the health and well-being of horse and rider? Do you know others who would benefit from an 80 Point Personal On-site Saddle Fit Evaluation to find out if their saddle is comfortable for them and their horse? Or riders who would like to experience riding in a female or male saddle? Organize a Saddle Fitting Event and receive a \$25 coupon for each registration.

Introducing our Saddle Fitting Event Organizer Program

Step 1

Contact our Clinic Coordinator at info@schleese.com to schedule a date for a Saddle Fitting Event

Step 2

Spread the word to riders and professionals in your area by:

- sending email invites and your own event poster to your contacts at various locations
- posting it on social media and trustworthy Internet chat boards
- submitting it to local online calendars and online event listings

Step 3

You will receive a \$25 Schleese coupon for each registered Saddle Fit Evaluation registration (including your own)

Guidelines

- Your event needs to be booked 10-12 weeks prior to the event date.
- A minimum number of people is required per event. This number varies per location, but is generally 4 people including yourself. Our Clinic Coordinator will tell you the definite number when you discuss your event.
- The event's date and start time will be scheduled logistically for visits to your area.
- Each participant needs to register online to reserve their spot.
- We will provide you with your event poster to email to various locations (i.e. barns, your vet, fairs and local tack shops).
- We can assist you by contacting riders who are in your area (if your barn allows trailer-ins).
- As a Schleese Visit Organizer you will receive a \$25 Schleese coupon for each registered Saddle Fit Evaluation (including your own).
